Y'all –

Is there any way we can get some photos of the EPA Dive Team in action next week? It would make great fodder for our social media pages and a good entry point to the site page.

EPA R6 DIVE TEAM: The EPA R6 Dive Team, with assistance from the ERT Dive Team, will complete phase 1 (underwater cap survey) of the San Jacinto Waste Pits Dive Operation the week of December 7. **(Crossland, x2721)**
